## WARRANTY

Reface Masters stands behind the products we use. If any of our doors, drawers or hardware do not withstand normal use within three years of purchase, Reface Masters will provide a free replacement product. We also extend a color fade warranty on all laminates within five years of purchase.

---

## SPECIFICATIONS

The foregoing Warranty does not cover and Reface Masters shall have no liability or obligation with respect to (i) any parts that have been subject to abuse, misuse, misapplication, neglect, alteration, accident, improper or abnormal conditions of use or storage, (ii) any discoloration resulting from exposure to other than a normal indoor environment including, but not limited to, exposure to nicotine, solvents, harsh cleansers, adhesives, packing materials, coatings or excessive heat, rain or sunlight; (iii) defects other than discoloration, including, but not limited to, delamination, staining, marring, solvent etching and contamination; (iv) any person other than Reface Master's Customer; (vi) any claim received by Reface Masters beyond THREE or FIVE years after Reface Master's invoice date for the product; or (vii) any claim not made in compliance with the claim procedures set forth below.

Reface Master's obligations under the Warranty are subject to Customer's compliance with the following claim procedures. Promptly after receipt of a complaint, which may be covered by the Warranty, Customer shall notify Reface Master's by telephone. Within 60 days of such complaint, Reface Masters will perform an in-person inspection of the parts (i) The customer must submit a copy of a complaint report or other documentation showing the date of the complaint and the parts in question; (ii) documents showing Customer's ship date of the parts involved, or (iii) a copy of the Reface Masters invoice which correlates to the purchase date of the parts involved.

## CARE & CLEANING GUIDELINES

Cleaning the surface should be done with a cotton or microfiber cloth saturated with a mix of warm water (99%) and a mild, non-abrasive detergent (1%) like Windex, Formula 409, Fantastik, or Mr. Clean. This should be done in vertical motions with light pressure. Reface Masters products are meant to be used indoors or in a climate controlled location.
